1. Video uputstva za sajt/Video guide for the site

Na srpskom/Serbian version: <https://youtu.be/mn-WhiwR5YA>

Na engleskom/English version: <https://youtu.be/aesjps5a5aI>

2. Korisničko uputstvo na srpskom:

U daljem tekstu ćemo Vas sprovesti kroz sve funkcionalnosti našeg sajta tako da možete koristiti naš sajt u punom kapacitetu.

2.1. Registrovanje

Kada uđete na sajt dočekaće Vas sledeći prozor. Klikom na dugme **Register** možete preći na stranicu za registrovanje.

Kada ste to uradili sajt će od Vas zahtevati da unesete **korisničko ime**(1), Vaš **email**(2) i **šifru**(3) koju želite da postavite.

Submit

Red numbers 1, 2, and 3 with arrows pointing to the Username, Email, and Password input fields respectively.

Kada ste to uradili završite Vaše registrovanje klikom na dugme **Submit**.

2.2. Prijavljivanje

Nakon klika na dugme **submit**, prilikom registrovanja, ili klikom na dugme **Login**(Slika 2.2.1.) prilikom ulaska na sajt, sajt će Vas odvesti na Login stranicu(Slika 2.2.2.).

Slika 2.2.1.

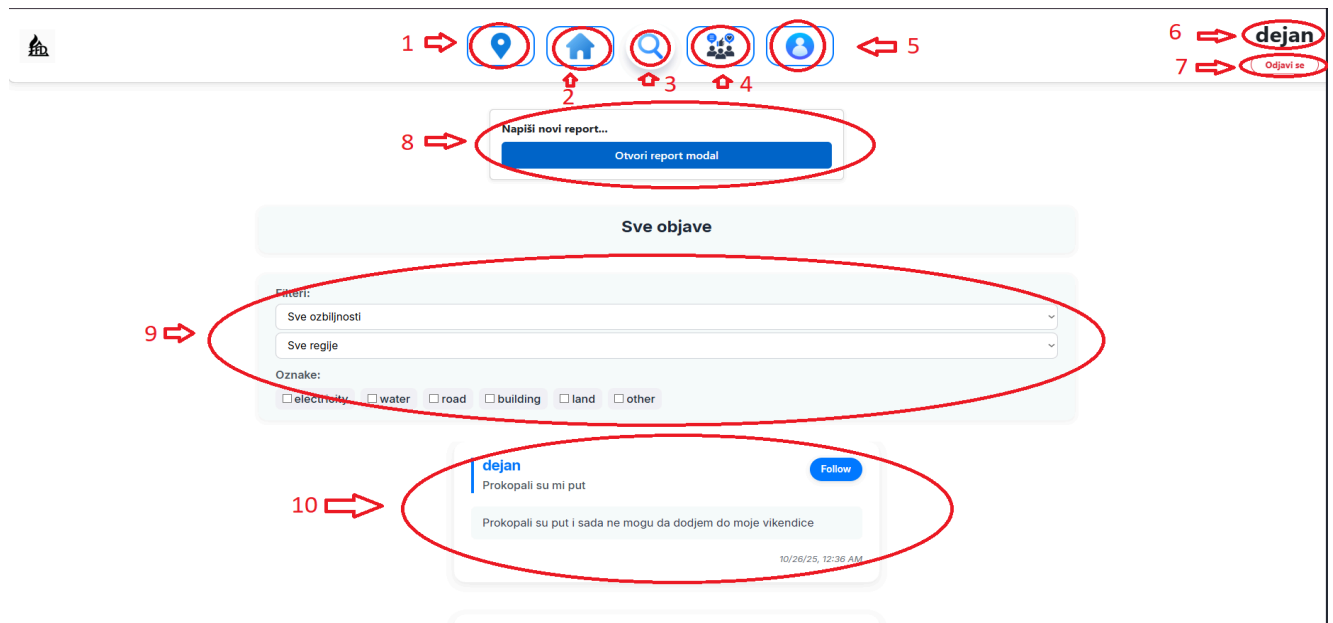

Slika 2.2.2.

Unesite svoj **email**(1) i svoju **lozinku**(2) i kliknite na dugme **Submit**. Čestitamo ušli ste na sajt.

2.3. Postavka početnog prozora

Početni prozor izgleda kao na slici:

1. Stranica sa mapom
2. Matična(home) stranica
3. Dugme za pretraživanje
4. Stranica sa objavama koje pratite
5. Stranica sa Vašim objavama
6. Prikaz korisničkog imena trenutnog korisnika
7. Dugme za odjavu sa profila
8. Segment za pravljenje nove objave
9. Filtriranje svih objava
10. Prikaz svih objava

2.3.1. Domen sa objavama

Na dnu stranice prikazuju se objave i moguće ih je sortirati primenom filtera.

2.3.2. Filtriranje objava

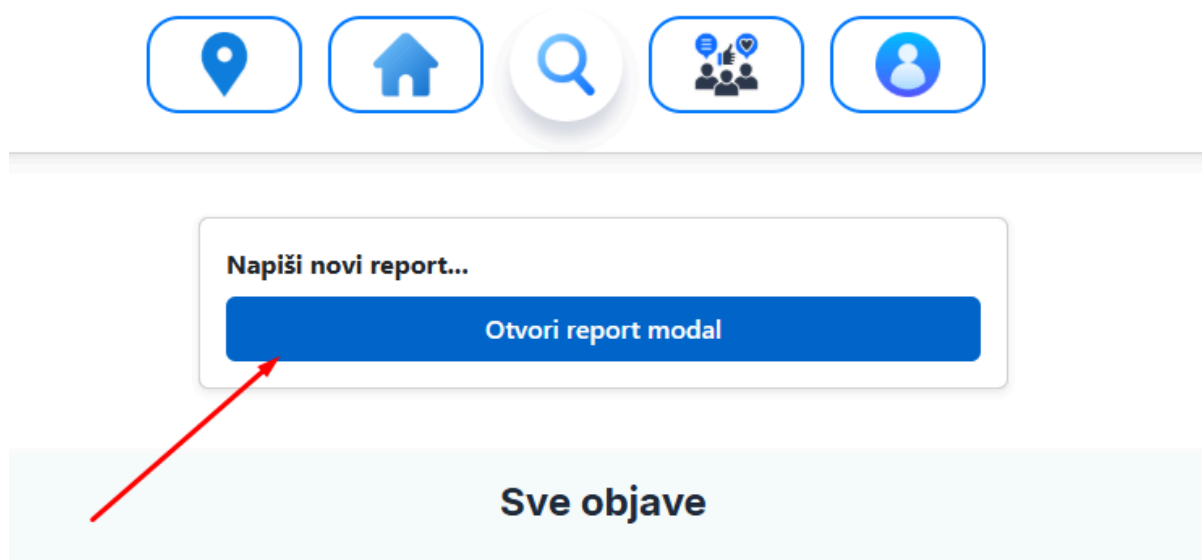

Korisnik može filtrirati objave na sledeći način.

1. Prema ozbiljnosti problema
2. Prema regionu u kome se nalazi problem
3. Prema tipu(oznaki) problema

2.3.3. Pravljenje objave

Pritiskom na dugme **Otvori report modal** korisnik može dodati novu objavu.

Kada klikne na dugme otvoriće mu se modal na kome treba da popuni sve podatke koji se tiču njegovog problema.

2.4. Odjavljivanje

Pritiskom na dugme **Odjavi se** korisnik se može odjaviti.

dejan

Odjavi se

2.5. Stranica sa mapom

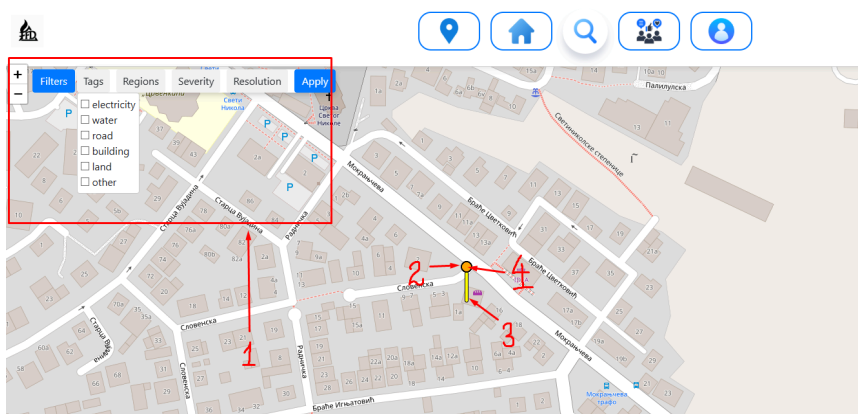

Klikom na **dugme mape** možemo da odemo na stranicu sa mapom.

Napiši novi report...

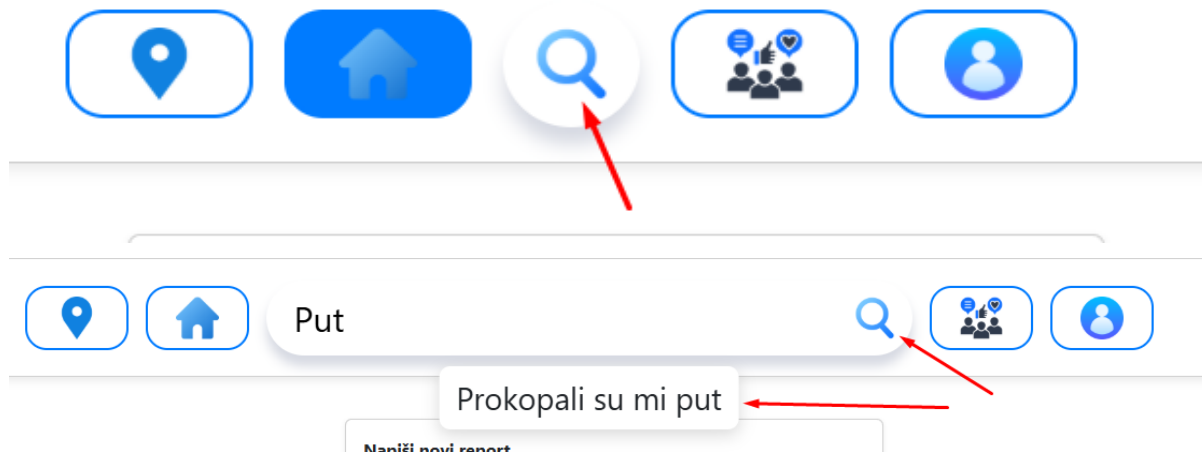

Otvori report modal

Kada smo na stranici mapre možemo videti gde se nalaze problemi. Ukoliko je **nožica(3)** pina zelena, to znači problem nije kritičan (ozbiljnost problema je manja od 3). Ukoliko je nožica pina žuta, narandžasta ili crvena to znači da je problem kritičan (ozbiljnost je veća od 2). Ukoliko je **pin(4)** žut, to znači da je u pitanju problem sa strujom. Ukoliko je pin plav, to znači da je u pitanju problem sa vodom. Ukoliko je pin siv, to znači da je u pitanju problem sa putem. Ukoliko je pin narandžast, to znači da je u pitanju problem sa zgradom. Ukoliko je pin zelen, to znači da je u pitanju problem sa zemljištem. Ukoliko je **obod(2)** pina siv to znači da problem nije rešen, ako je žut to znači da se problem rešava i ako je zelen to znači da je problem rešen. Možemo **filtrirati(1)** pinove na map stranici.

2.6. Pretraživanje

Klikom na dugme sa oznakom lupe možete pretražiti objave koje želite da vidite. Unosom teksta i zatim klikom entera na tastaturi, lupe sa strane ili nekog od predloga otičićete na stranicu sa svim objavama koje odgovaraju Vašoj pretrazi.

2.7. Pregled objava koje pratite

Pritiskom na dugme sa slike otičićete na stranicu sa objavama koje pratite.

2.8. Pregled vaših objava

Pritiskom na dugme sa slike otičićete na stranicu sa Vašim objavama.

3. User manual

In the following text, we will guide you through all the functionalities of our website so that you can use our site to its full capacity.

3.1. Registration

When you enter the site, the following window will appear. By clicking on the **Register** button, you can proceed to the registration page.

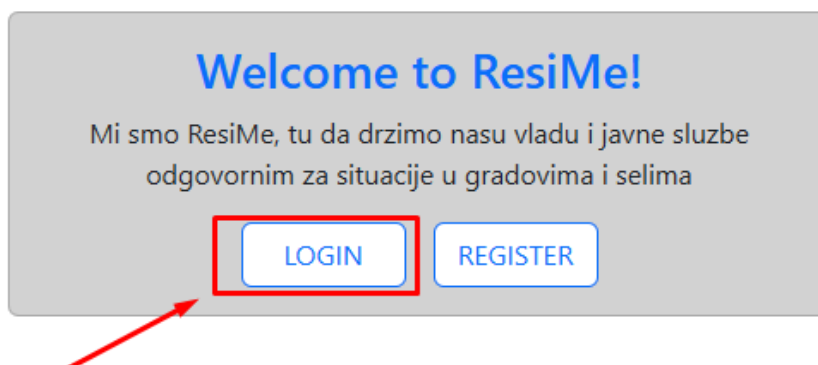

Once you have done that, the site will require you to enter a **username (1)**, your **email (2)**, and the **password (3)** you wish to set

Once you have done that, complete your registration by clicking the **Submit** button

3.2. Log in

After clicking the **Submit** button during registration, or by clicking the **Login** button (Picture 2.2.1.) upon entering the site, the site will take you to the **Login** page (Picture 2.2.2.).

.....

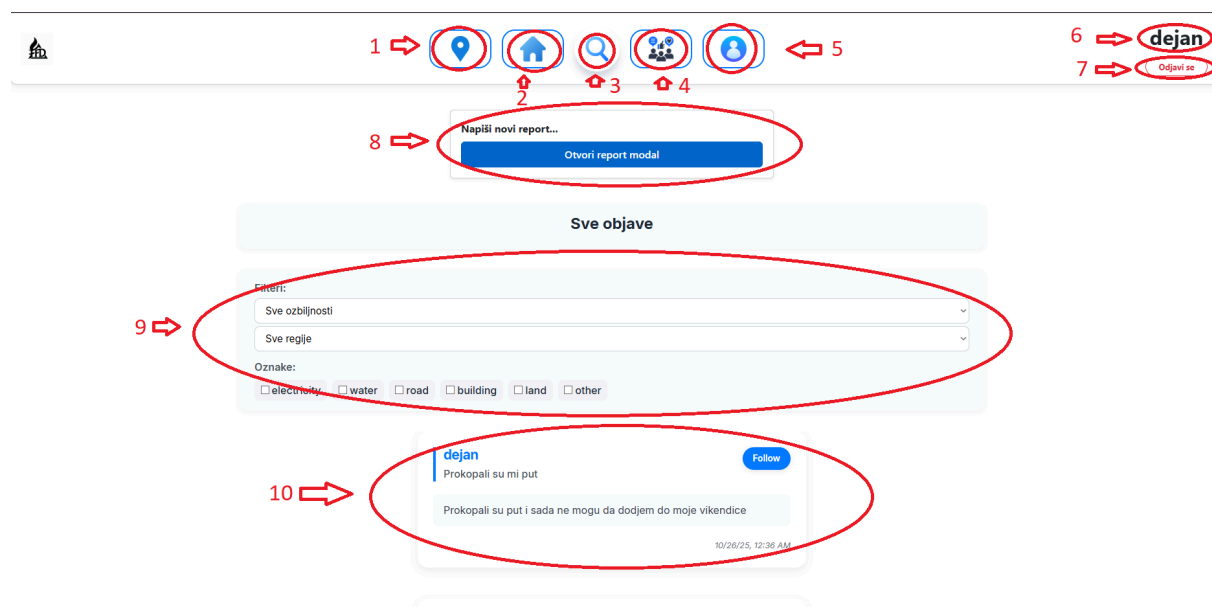

Submit

Picture 2.2.2.

Enter your **email (1)** and your **password (2)**, and click the **Submit** button. Congratulations, you have successfully logged into the site.

3.3. Initial Window Settings

The initial window looks like the image:

1. Map page
2. Home page
3. Search button
4. Page with posts you follow
5. Page with your posts

6. Display of the current user's username
7. Log out button
8. Segment for creating a new post
9. Filtering of all posts
10. Display of all posts

3.3.1. Post Domain

Posts are displayed at the bottom of the page and can be sorted by applying filters.

3.3.2. Posts Filtering

The user can filter posts in the following manner.

The screenshot shows a filter interface with the following elements:

- Filteri:** A dropdown menu with the option "Sve ozbiljnosti" selected. A red arrow labeled "1" points to this dropdown.
- Sve regije:** A dropdown menu with the option "Sve regije" selected. A red arrow labeled "2" points to this dropdown.
- Oznake:** A row of checkboxes with labels: "electricity", "water", "road", "building", "land", and "other". A red arrow labeled "3" points to the "electricity" checkbox.

1. By the severity of the problem
2. By the region where the problem is located
3. By the type (tag) of the problem

3.3.3. Creating a Post

By pressing the **Open report modal** button, the user can add a new post.

The screenshot shows the bottom navigation bar with five icons: a location pin, a house, a magnifying glass, a group of people with a heart, and a person profile. Below the navigation bar is a button labeled "Napiši novi report..." with a sub-button labeled "Otvori report modal". A red arrow points to the "Otvori report modal" button. Below this is a section labeled "Sve objave".

When they click the button, a modal will open where they need to fill in all the data concerning their problem.

3.4. Log out

By pressing the **Log out** button, the user can log out.

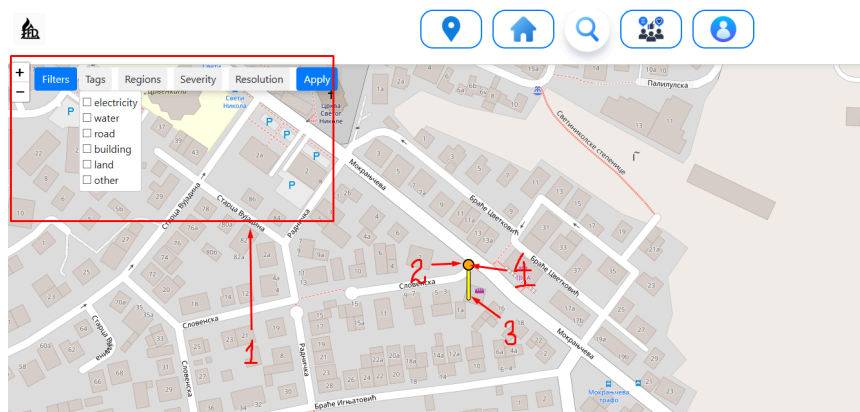

3.5. Map page

By clicking on the **map button**, we can go to the map page.

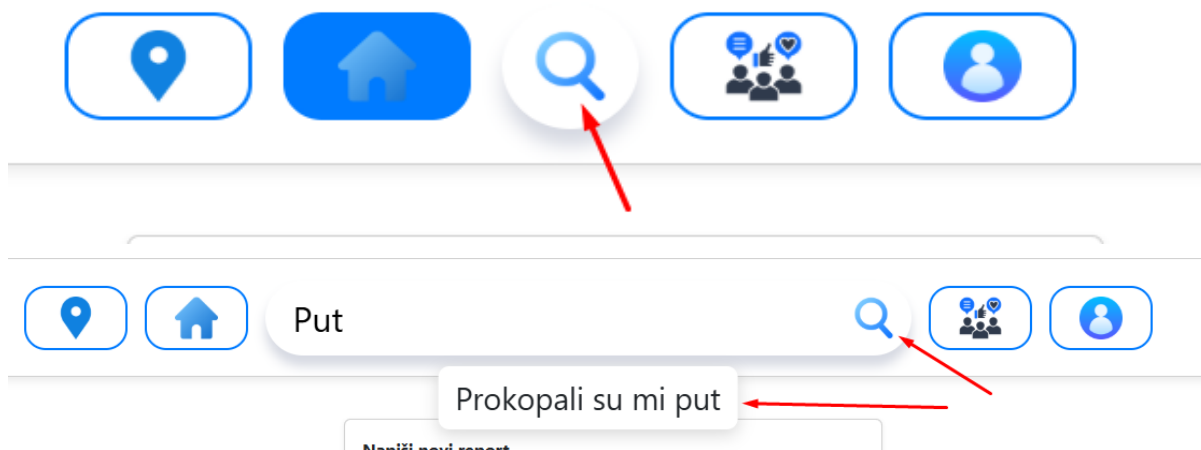

When we are on the **map page**, we can see where the problems are located. If the **pin's base (3)** is green, it means the problem is not critical (the severity of the problem is less than 3). If the pin's base is yellow, orange, or red, it means the problem is critical (the severity is greater than 2). If the **pin (4)** is yellow, it means the issue is an electricity problem. If the pin is blue, it means the issue is a water problem. If the pin is grey, it means the issue is a road problem. If the pin is orange, it means the issue is a building problem. If the pin is green, it means the issue is a land/terrain problem. If the **pin's border (2)** is grey, it means the problem is not resolved; if it is yellow, it means the problem is being resolved; and if it is green, it means the problem is resolved. We can **filter (1)** the pins on the map page.

3.6. Searching

By clicking the **magnifying glass button**, you can search for the posts you want to see. By entering text and then pressing **Enter** on your keyboard, clicking the **magnifying glass icon** on the side, or selecting one of the **suggestions**, you will be taken to a page with all posts matching your search.

3.7. Posts you follow

By pressing the button in the image, you will go to the page with the posts you follow.

3.8. Your posts

By pressing the button in the image, you will go to the page with your posts.
